## VOL. 1: SONGS WITH SINGING, 1981-2009

Green Monkey is rather pleased to present *Tom Dyer – Songs from Academia Vol. 1: Songs with Singing, 1981 - 2009*. The 14 song (plus top secret bonus track) album is Dyer's first official release since 1984 and is available for download at [www.GreenMonkeyRecords.com](http://www.GreenMonkeyRecords.com), "pay what you want." Music aficionados may also purchase the Deluxe Edition online, which includes Four Panel Printed Eco-sleeve, Printed Insert & Full-Color CDR duplicated using MFQA® (Master Full Quality Audio), as well as downloadable MP3s for Mr. iPod.

The album cuts a wide swath stylistically, ranging from "mad-bull in a China shop" real-band-rock, to experimental studio pop where Dyer plays anything required, from saxophone to Theremin. Dyer reflects, "I am excited to finish this project exactly at its scheduled time. When I set the goal of October, 2009 those 28 years ago, it seemed like a stretch. I really think this project shows how an artist can develop if they set their mind to it and have a good calendar."

### What Band?

Tom Dyer plays most of this stuff. The other nice people who helped are all listed on the sleeve. They all sound great!

"Dyer alone manages to sound almost as diverse as the 15 bands on *Local Product*." Dawn Anderson – Backfire
