

THE PURDINS

2ND GREATEST HITS

Fresh off the success of their amazing million selling debut CD "The Purdins Greatest Hits Volume 1" comes this, from the hottest new band out of Seattle. "The Purdins 2nd Greatest Hits!" 12 slabs of molten sound that were tailor made to fit everything from your son's first princess party, to the heroic dose you had planned for this weekend. Remember that time when you lost everything and everybody that ever meant anything to you, and after a long dark journey you stumbled through a door that led you to a place where all had been made right, everything was fine, and the sky had never been so blue? This album is that door! Come stumble with us. Stumble on through to the other side! If you've never heard the Purdins, why are you still reading? Put this fucking record on now!
