

TOM DYER AND THE TRUE OLYMPIANS

Woke up this morning with a whole new brain and decided to make a beautiful new release, ***The True Olympians Holiday Collection***. Hosannah! And great Jumping Jehoshaphat!

It's a one-disk, ten-track CDr release of all the True Olympians Xmas singles, add in a couple of Tom Dyer Christmas classics from his Xmas albums and finally, some other jolly tracks released by band members in the last year or so. True Olympians' Joe and Lisa even decided to cut a brand-new beautiful track with Joe's old pal Bob Hart this week just for this album.

So much joy!

To make this even more improbable, handsome drummer man Michael had the ridiculous idea to go shoot festive photos at the JC Penny photo studio – we did it this week. Suddenly, I had a home for this plethora of mirthful pictures. CD art! Let the partridge and the pipers rejoice!

So there it is. The miracle of Christmas, writ small!
